PRESS NOTE NO.183.
Dated, Madras, the 27th August 1942.

With the exception of Ramnad District the situation in the Presidency as a whole remains quiet. Nil reports have been received from 17 districts and only very minor incidents reported from others. From Ramnad however it is reported that when the District Magistrate, the District Superintendent of Police and the armed reserve went to Pulankurichi in connection with a recent mail dacoity which is said to have been carried out by hooligans they were threatened by an armed mob who took up position high up in the hills overlooking the village and threatened to attack. Under the orders of the District Magistrate fire was opened, as a result of which several people were killed or injured. One of the leaders and four others from the village were arrested. In South Kanara district the toddy shop at Baindur was broken into and the toddy destroyed and from Coimbatore reports have been received of attacks on toddy shops adjoining the mill area. The strike in the mills continues but it has not spread to other mills in the neighbourhood. When six persons began throwing stones at the Singanallur police outpost they were arrested.

Sir

I am a native of Bellary town & after being arrested on 2nd September 42 I have been detained in this jail under the Defence of India Rules. (K)

Kindly refer to your G.O. No. M.S. 648-Dt 27th February 43 under public (General) department informing me that my request for the sanction of family allowence could not be granted

It is over six & half months since I was arrested and kept under detention. As stated in my petition for family allowence, my mother & two other aunts are now dependant upon me for support (My father having died on 3rd January 43). As I have been detained, I have been prevented from carrying on Business in agency & commission work in respect of Red Star Chemical works of Bombay which was fetching me about one Hundred per month by which I was maintaining my family. Now my Business has suffered, for which I hold the Government liable & for which I may have to sue for damages in a court of law, and my family have been deprived of my support & made to suffer in an endless manner.

I request you to reconsider my petition for family allowence & sanction an allowence (P.T.O)
